### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. This application is in condition for allowance except for the presence of claims 22-40 to an invention non-elected without traverse. Accordingly, claims 22-40 are cancelled below.

The application has been amended as follows:

Cancel claims 22-40.

### **REASONS FOR ALLOWANCE**

3. Claims 2-10, 13-21, and 42-45 are allowed.

4. The following is an examiner's statement of reasons for allowance: The primary reason for the allowance of the claims is the slide plate movable transversely and axially to the axis of the flow channel to a soft and hard closed position in combination with the seal ring having at least one unobstructed passageway that increases fluid flow through the flow channel as the slide plate moves between the soft and hard closed position.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee.

Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
